2023 GRAND VOYAGE

FEATURED PORTS AND HIGHLIGHTS

TRANSITING THE PANAMA CANAL

In the pantheon of iconic travel experiences, a transit of the twisting waterways and mighty locks of the Panama Canal ranks near the top.

FUERTE AMADOR (PANAMA CITY), PANAMA

Where the Panama Canal joins the Pacific sits the capital city of Fuerte Amador. More commonly known as Panama City, this overnight port offers insight into the Canal's history, the city's time as a Spanish fort and its present-day role as a major shipping destination and global center of research, business and entertainment.

MANTA (QUITO), ECUADOR

Manta is a commercial center for fish and fruit, particularly bananas and plantains. However its beaches, vibrant culture and quaint fishing villages have long attracted tourists. Shrimp, tuna and giant blue and striped marlin are abundant in the waters off its coastal plain.

Optional Seabourn Journeys:

- Quito Journey: A UNESCO Partner Tour: 3 Days/2 Nights
- Galápagos Islands Mid-Voyage Adventure: 5 Days/4 Nights

ISLAS GUAÑAPE, PERU

A cluster of four tiny islands off the coast of Peru are uninhabited by people, but are teeming with wildlife – particularly seabirds such as Humboldt penguins, blue-footed boobies, terns, and Southern sea lions who frequent these protected lands and waters.

CALLAO (LIMA), PERU

Visit Lima, the “City of Kings” and a UNESCO World Heritage Site, prized for its grand palaces and churches, broad plazas, and unique style of art that blends classical forms with native traditions.

Optional Seabourn Journeys:

- Machu Picchu: A UNESCO Partner Tour: 3 Days/2 Nights

MACHU PICCHU, PERU

GENERAL SAN MARTIN (PISCO), PERU

Pisco dates from 1640, its Plaza de Armas is a Spanish colonial treasure. Another treasure are the Ballestas Islands, an offshore cluster of rocky outcroppings teeming with seabirds, penguins, sea lions, dolphins and other wildlife.

ISLA PAN DE AZÚCAR, CHILE

“Sugar Loaf Island” is a nature sanctuary where breeding colonies of sea lions, sea otters, pelicans and other flora and fauna live peacefully among the rocky shores and arid climate influenced by the nearby Atacama Desert. Floating offshore, you’ll be in a prime spot to see them all.

SAN ANTONIO (SANTIAGO), CHILE

This large, modern port serves Chile’s capital, Santiago, a city with Spanish colonial charm and a vivacious spirit. Encircled by the Andes and the Coastal Range, Santiago is centered around the Plaza de Armas, with several of the city’s landmarks: the 18th-century Metropolitan Cathedral the Palacio de la Real Audencia from 1808, the City Hall and the National Museum of History.

PUERTO MONTT, CHILE

Captivating volcanic peaks, Chilean fjords, a vibrant fish market and harbor, and a bustling town-like atmosphere are all part of the colorful experience here. Explore white-water rafting, fly-fishing and hiking, or meander through craft stalls of handmade goods as you discover this multifaceted Pacific port.

THE SOUTH GEORGIA EXPERIENCE

Largely untouched and blessed with a sub-Antarctic climate and nutrient-rich seas, South Georgia is strikingly green with vegetation and teeming with wildlife, including massive populations of king and other penguin species, fur seals, elephant seals, albatrosses, giant petrels and other seabirds. Whales, orcas and dolphins abound offshore in the most diverse marine ecosystem on earth. Your Captain and Expedition Leader plan your days in South Georgia to offer you a variety of amazing experiences, based on conditions and wildlife reports. Your Expedition Team members accompany you on landings at the various sites in complimentary Zodiacs® and excursions.

NEW ISLAND, FALKLAND ISLANDS

Wind-swept New Island, one of the world's most remote inhabited islands, lies on the western fringe of the Falklands Archipelago. A place of colorful landscapes, New Island supports some of the largest concentrations and diversity of wildlife in the Falklands, with over forty species of nesting birds. Four species of penguins, including 13,000 gentoo and 26,000 Southern rockhopper penguins call the island home. Embracing winds and seas below, 60,000 black-browed albatross soar along the cliffs. Complimentary Zodiac® and optional kayak excursions enhance your experience.

THE ANTARCTIC EXPERIENCE

You will never forget your first sighting of Antarctica and its islands. For the next five days, your Captain and Expedition Leader plan your itinerary, complimentary Zodiac® landings, scenic cruising and exploration operations to offer you the widest variety of experiences possible based on conditions and wildlife reports. Visits to breeding colonies of different penguin species; sightings of crabeater, Weddell and leopard seals basking on ice or swimming; and watching various species of whales are just some of the wildlife highlights you can experience in this coveted region.

BUENOS AIRES, ARGENTINA

Fashionable Porteños live in style, preferring good food, fine wines and well-cut clothing. Lively and sophisticated, their city is Latin America's most European. Stroll the park-like Recoleta Cemetery to Evita Peron's flower-strewn tomb.

Optional Seabourn Journeys:

- Iguazú Falls and Rio de Janeiro: 6 Days/5 Nights

RIO DE JANEIRO, BRAZIL

With its iconic crescent-shaped Guanabara Bay and Corcovado mountain topped by the statue of Christ the Redeemer, it is easy to see why Rio is beloved by all who see it. Alive with Carnavál energy year-round, the city is also rich in nature and history that have earned it the distinction of being a UNESCO World Heritage Site.

THE AMAZON

The greatest river on earth flows through the world's largest rain forest. Survey a thousand miles of its banks, with an overnight in Manaus, visiting the important cities of Santarém, Guajara, Alter do Chão and remote village outposts where colorful celebrations and timeless traditions endure.

DEVIL'S ISLAND, FRENCH GUIANA

Best recognized today as the site of the remote 19th-century prison from the movie "Papillon," Devil's Island in French Guiana is a mix of haunting ruins in a paradise-like landscape abundant with wildlife.

ARMAÇÃO DOS BÚZIOS, BRAZIL

Around the corner from Rio de Janeiro, this strand of 23 different stunning beaches and waters is perfect for snorkeling, fishing and even surfing. Like any great beach town, Buzios also offers a laid-back restaurant, shopping, and entertainment scene under sunny skies.
